Barrett Bends Me Over: A Rough First Anal Sex Erotica Story: Sweet Hitchhiker DeLora Angela Ward

I'd just started my big one year hitchhiking journey. While all my friends were heading off to college I was heading off to experience life. I never thought that within three hours I'd be bent over a motorcycle in the desert having my very first anal sex! Barrett was rough, very rough, and I couldn't believe how much I loved it!

Warning: This ebook contains very explicit descriptions of sexual activity and includes public sex, rough sex, first anal sex, and more. It is intended for mature adults who will not be offended by such content.

Here's a preview:

Jesus! Less than three hours into my journey away from home and I had already become my father's worst nightmare, an absolute sex-crazed slut. When Barrett pulled off the highway and onto a dirt road, I almost cried with relief. Of course, dirt road meant a hell of a lot of bouncing, so it didn't take much of the five minute journey into the desert before I wanted to cry because it was all too much. When he pulled into a dirt driveway and we ended up in front of a large ranch house, I was ready to throw my arms around him and just thank him for stopping. When the engine rumbled to a stop, it took me a few seconds to let go of him. When I did, I got off the bike and almost fell over. He kind of chuckled and said, "Was the ride scary? I should have stopped a few times on the way for you."

He had no idea just how scary it had become, but I didn't bother answering. Instead, when he stepped off the bike and took off his helmet, I threw my arms around his neck. "Fuck me," I whispered as I put my mouth on his. I'd just had two hours of orgasmic torture and my pussy had never felt so desperate to be filled. When I whispered it, I anticipated he would take me into the house, so I was surprised that he immediately reached down and lifted my shirt up and over my breasts. Another quick movement pulled my bra up, and while his tongue pushed into my mouth aggressively, his hands went to my breasts and began roughly massaging. Usually, I preferred a gentler touch, but I was so damned turned on that I enjoyed the way he was claiming me, enjoyed the way his fingers pinched at my nipples hard.
