Take your warfare to a whole new level of excitement! Deploy under cover of exotic weather and severe planetary conditions. Surprise your enemy with your mastery of new battlefield tactics-from artillery to command-level comms to minefields- as well as cutting-edge, prototype technologies! A daring commander can take advantage of any or all of these....if he's brave enough to seize the moment! Tactical Operations is the one-source reference for advanced rules that apply to on-world operations. It includes new movement and combat options, an extensive Advanced Weapons and Equipment section, and the rules for playing and constructing advanced Support Vehicles and Mobile Structures.
