Fly Fishing Boston: A Complete Saltwater Guide from Rhode Island to Maine (Backcountry Guides)

Terry Tessein

Where and how to fly fish within two or three hours of downtown Boston.

Terry Tessein, a veteran of a lifetime of fishing the New England coastline, shares those years of experience in the first detailed guidebook to the multitude of fly fishing possibilities within easy reach of downtown Boston. From the shores of Rhode Island to the coastline of southern Maine, Tessein will guide the reader on where to go, when to go to find particular species, and what flies and tactics to use at each venue.

Fly Fishing Boston covers both well known areas like the Joppa Flats of Newburyport, as well as the relatively unknown and underfished areas along this stretch. In addition, Tessein explains such important coastal fishing information as tides and how they affect the movement of fish. Finally, *Fly Fishing Boston* is detailed enough to provide even regional fly patterns unique to specific zones. It will be a book to both read in the off-season and to pack in the tackle bag when heading out for a day of fishing. 30 black-and-white photographs, 6 maps, index
