## **Somebody Else's Music: A Gregor Demarkian Novel (Gregor Demarkian Mysteries)** Jane Haddam

Jane Haddam's stylishly written novels featuring Gregor Demarkian, retired chief of the FBI's Behavioral Sciences Unit, have thrilled and delighted an ever-increasing number of readers over the years. Now, with *Somebody Else's Music*, Haddam delivers her most compelling crime novel to date - a brilliant exploration of how the past affects the present and the twisted workings of human psyche.

Elizabeth Toliver, now an acclaimed author with a rock star lover, was a too-smart, fashion-impaired teen who was the target of abuse from a circle of popular high school girls. The abuse escalated until one summer night she was nailed into an outhouse with over twenty snakes and, while she beat herself into a coma trying to escape, a local teenage boy was murdered just outside. Still haunted by nightmares of that night, Toliver returns to her hometown for the first time in almost 30 years, triggering a deadly chain of events.
