The Polar Regions and the Development of International Law (Cambridge Studies in International and Comparative Law)

Donald R. Rothwell

The Polar Regions and the Development of International Law (Cambridge Studies in International and Comparative Law) Donald R. Rothwell

This book deals with international law in Antarctica and the Arctic. It reviews how each region is managed by the individual legal regimes, and how the special international laws developed specifically to deal with polar problems (for instance, protection of the environment) have contributed to the development of international law.
