The river brought a handsome stranger to her. Would the river also take him away? From her Alabama mansion on the banks of the Chattahoochee River, Lily watches the steamboats pass and dreams of falling in love with the perfect man, giving him her whole mind and spirit. But when the river gives her an irresistible steamboat captain, Lily is torn between him and her pledge to marry the wealthy man her parents have chosen for her. Torn by her love for the mysterious captain, she struggles with duty, honor and faith. Like the river's dangerous currents, her choice will change the course of her life forever. Jacquelyn Cook is the author of acclaimed historical novels and historical romances, with over 500,000 copies sold. Her classic, four-book River series authentically recreates the romance and drama of the Civil War era in historic Eufaula, Alabama. Formerly collected in a popular anthology titled Magnolias, the River series is now offered to readers in these updated editions.
