This anthology focuses on writing about literature which is integrated in every chapter. Each element (i.e. character, setting, tone) is covered by a sample student essay and commentary on the essay. 32 MLA-Format Demonstrative student essays serve as models for good student writing. **Three NEW chapters on research**—one each for fiction, poetry and drama—feature full MLA-style research papers annotated to point out research information specific to each genre. **NEW-MLA document maps:** These visual representations help students locate key information on frequently-cited sources such as books and websites. **NEW "visualizing" sections** on fiction, poetry and drama each feature a section devoted to images that represent key literary principles or visual-based media within the genre. **Color insert**—This insert features works of art and connects them to various pieces of literature throughout the book. These images help reinforce the themes found in the literature. Fifty short illustrative writing examples embody the strategies and methods described in the various chapters and appendices.
