The Road To Toontown Gary K. Wolf

The Best Short Stories of award winning Roger Rabbit creator Gary K. Wolf. These stories were all published in well known, prestigious science fiction and fantasy magazines and anthologies. As you read through them you'll see the Roger Rabbit characters come alive and take shape. Until finally they emerge as the whacko, bizarre, lovable and endearing goofballs who inhabit a unique place in fantasy literature. Wolf's stories experiment with unusual formats, fantastically curious places, and finally with creatures that exist in a world where cartoon characters are real, an original concept of Wolf's that turned out to be a bona fide doozy of the first magnitude. As a special treat, the book includes a brand new, never-before-published Jessica Rabbit story. It's a thrilling journey, this one to Toontown, full of fun-filled twists and turns. Start your engine and navigate the creative high roads, low roads, back roads, twisty roads, dirt roads, and dark alleys that eventually lead to Toontown. You'll enjoy the ride.
