Sometimes very extraordinary people come from simple, very ordinary circumstances. Such is the case of Sarah Palin, former Vice-Presidential nominee, and persistent political rogue!

What a wild mixture of characteristics have blended together to form this incredible woman! No one would call her a feminist, but she has proven herself superior to many men in athletic and outdoor sports -- before she gets her nails done and her hair perfectly styled. She can do it all!

It may have come as a shock to many when Sarah Palin burst onto the national stage as the VP choice of Republican Presidential nominee John McCain in 2008. She became an overnight sensation with "lipstick on a pig" kind of homespun humor and sharp political instincts. The McCain campaign was withering in boredom, but there was nothing boring about Sarah. She referred to herself as your "average hockey mom," but there was nothing average about her. Her amazing energy, love of the outdoors (especially Alaskan outdoors), moose hunting skills, and as well as her natural beauty have charmed millions. However, what about Sarah? Does she still have a future in national politics? Could she be a candidate for Vice President in this election cycle? We shall see! Would she have your vote?

While reading *Who is Sarah Palin: The Short Biography of the Life and Times of Sarah Palin* you will discover:

- Her roots in a loving, middle-class family who moved to Alaska while she was just a baby.
- How she excelled in music and athletics during her school years -- including a state basketball championship in 1982.
- Her participation in beauty pageants including the Miss Alaska contest.
- Her varied and rotating college career, ending with a degree in journalism.
- Her romance and marriage to Todd Palin.
- Her political career beginnings in her hometown of Wasilla, Alaska.
- Her conflicts with the entrenched political establishment of Alaska.
- Her unsuccessful run for Lieutenant Governor.
- Her service with the Oil and Gas Conservation Commission.
- Her election and reforms as Governor of Alaska.
- Her budget reductions -- including cutting her salary as Governor.
- Her selection as Senator McCain's running mate in 2008, including the savage media attacks against her.
- Her political activities since her 2008 defeat.

- Her resignation as Governor of Alaska and beginnings as a political action leader.

Sarah Palin is a mystery of contradictions, but also a delightful example of the extraordinary impact one ordinary person can have. She has been influential in the formation and relative success of the Tea Party Movement and is currently a supporter of Donald Trump for president. Nevertheless, she was also a powerful influence in helping Ted Cruz in his successful campaign for the U.S. Senate. Somehow, this resilient woman always bounces back with exciting ideas and enthusiasm for causes. It is obvious we have not yet heard the end of Sarah Palin. What role will she have in the 2016 Presidential and national political scene?
