#### **Adam Mathews:**

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Will & Whit by Gulledge, Laura Lee (2013) Paperback can make you sense more interested to read.
