**Allyn Kaplan's life is anything but magical.** As a first year associate at a prestigious Portland law firm, his professional life is on the rise. All that is turned upside-down by a mysterious attack on his life by strange people with stranger abilities. Thrust into an underground world of magic where rival Families are on the brink of war, Allyn wants only to return to his normal life and thriving career.

But distancing himself from this new reality is nearly impossible. Haunted by the attack and questioning why he was targeted to begin with, Allyn's questions only deepen with the sudden disappearance of his sister. The only place to turn for answers, and for help, is a Magi Family whose agenda he wants no part of. Yet with his sister's life on the line, he may have no choice but to pick a side.
