No-Knead Turbo Beer Bread - Ready to Bake in 2-1/2 Hours (Recipes for the 3 Methods): From the kitchen of Artisan Bread with Steve Steve Gamelin

This is a very simple cookbook. It discusses and gives recipes for the three basic methods for making no-knead beer bread... traditional no-knead bread (Dutch oven), no-knead “Turbo Bread” (newly released), and quick beer bread (a favorite of ours).

Many of you may not be familiar with “Turbo”. The “Turbo Method” was designed for those who want to make no-knead bread, but... don’t want to wait 8 to 24 hours. Those who want bread machine bread, but... don’t want to buy and store a bread machine. It’s for those of you who want a fast reliable way to make fresh from the oven bread without the hustle of expensive machines, Dutch ovens, or kneading.

Some have said, no-knead “Turbo Bread” is bread machine bread... without the bread machine. I like to think of it as a way for the average family to have fresh from the oven bread in the convenience of their homes without special equipment or hassles.

To watch a video demonstration of no-knead “Turbo” bread using the “hands-free” technique go to my YouTube channel (“AstisanBreadWithSteve”) and watch Ultimate Introduction to No-Knead “Turbo” Bread... ready to bake in 2-1/2 hours. Then come back and get the cookbook.

Thanks – Steve
