*John Bunyan*

**Prayer (Annotated) (Vintage Puritan)** John Bunyan

-Includes unique notes to aid the reader

Two works on prayer are here brought together. In *Praying in the Spirit* Bunyan defines what it means to pray with the spirit and with the understanding, and deals with difficulties in prayer. In *The Throne of Grace*, he explains how to approach God's throne in prayer and opens up the blessings God's people receive from the high priestly ministry of Jesus Christ. Even in today's secular world, scholars continue to be fascinated by the influences behind John Bunyan's famous allegories, *The Pilgrim's Progress* and *The Holy War*. In the pages of this book we discover part of the real secret of Bunyan's greatness. He was a man whose life was profoundly God-centered, and consequently he was a man of prayer.

*Praying in the Spirit*, written in 1662 in Bedford jail (where Bunyan was later to have his "immortal dream") expounds what he calls "the very heart of prayer." In clear and simple terms he defines what it means to pray with the Spirit and with the understanding, deals with difficulties in prayer, and shows how "the Christian can open his heart to God as a friend."

In *The Throne of Grace*, Bunyan explains how to approach God's throne in prayer, and gives rich, practical exposition of the blessings of God's people receive from the high priestly ministry of Jesus Christ. These brief but invaluable expositions provide a classic study of prayer by one of the most remarkable Christians of all time.
