The Independent Educator is a series of eBooks designed to help homeschooling parents teach Language Arts using classic novels. It was born from the author's love of reading and teaching literature, her experience as a classroom teacher, her work with homeschool families, and her desire to make her work available to a wider audience at a reasonable cost. Teaching Literature is the general guide to the novel eBooks in The Independent Educator series. It explains the Independent Educator approach to teaching, which is holistic and literature based. After Teaching Literature, each Independent Educator novel eBook will focus on one classic novel. Teaching Literature details what to expect in the novel eBooks, and perhaps more importantly, why. Both research in the field of education and the author's teaching experience have influenced The Independent Educator series; Teaching Literature explains The Independent Educator teaching methodology. Teaching Literature is useful on its own for its information about how to teach Language Arts using literature, especially for home schooling parents. It is also a necessary introduction to the novel eBooks in The Independent Educator series.
