## **Techniques of Legal Investigation** Anthony M. Golec

This text in the area of civil litigation investigation continues to fill the need that has long existed for a general reference work on techniques, procedures and practices in the field of legal investigation. Intended as an educational tool for the lay legal investigator, it is written by an investigator with thirty years experience in legal investigating for trial attorneys and in helping to prepare thousands of civil and criminal cases for trial. In its new revised edition, **TECHNIQUES OF LEGAL INVESTIGATION** has been completely updated for a new generation of legal investigators and provides the latest pertinent case citations from Appellate and Supreme Court decisions. There are over 400 such case citations in this revised edition. Included are discussions of the law of evidence, interviewing witnesses, forensic photography, and investigation reports. A section on professional ethics has been included and an entire chapter has been devoted to criminal defense investigation. Many new illustrations have been included in this new edition. Investigators who must gather the facts of any occurrence, whether a tort or a crime for eventual presentation before a court or other tribunal should find this book a valuable aid.
