The Sacred Band

Janet Morris, Chris Morris

The Sacred Band Janet Morris, Chris Morris

When The Sacred Band begins, all mercy is lost in the fog of war as Tempus' Stepsons risk everything on a strange battlefield, infuriating gods and Fates:

In 338 BCE, during the Battle of Chaeronea that results in the massacre of the Sacred Band of Thebes, Tempus and his Stepson cavalry rescue twenty three pairs of Theban Sacred Banders, paired brothers and lovers, to fight on other days. These forty-six Thebans, whose bones will never lie in the mass grave that holds their two hundred and fifty-four brothers, join with the immortalized Tempus and his Sacred Band of Stepsons, consummate ancient cavalry fighters, to make new lives in a faraway land and fight the battle of their dreams where gods walk the earth, ghosts take the field, and the angry Fates demand their due.
