World War IV: Alliances- Book 0 James Hunt

More than fifty years after the Great War of 2020 that crippled the world near extinction there are two constants: Family and War. And there is no family that has intertwined those ideals more than the Mars brothers. Their family tree sprouted from the black ash of death and was fertilized with blood. They have fought, died, and sacrificed everything to lift the remnants of the old union out of the rubble. But amidst the rebuilding, war is once again brewing in conquered lands where old alliances are renewed and threaten the peace built on the foundation of the dead. And death always remembers.

James Hunt, author of the “Distressed” and “Agent Hill” series brings you his next thrilling series: “WW4”
