Concise Bilingual Dictionary of Special Idioms, Phrases and Word Combinations: Diccionario bilingüe y conciso de giros, modismos y frases especiales (Spanish Edition) Eduardo González

This dictionary constitutes a valuable little gem in the fields of bilingualism, translation, folklore and communication across cultures: All entries are presented, explained and translated in English and in Spanish; It goes from recording Afro-Cuban traits to depicting deeply rooted Hispanic customs and traditions. A very special feature is that it facilitates the English speaker's comprehension of those aspects that are idiosyncratic to other cultures. This work also contributes to a better understanding of the Cuban Spanish variant, sometimes surprisingly close to that from Spain and other Central, South and Caribbean Spanish-speaking countries. This appealing dictionary will hopefully contribute to a better understanding not only between Spanish and English speakers but also among speakers of the Spanish language. Books in preparation: Manual of Translation-Interpreting Exercises and Bilingual Poemario *
