This is Volume 2 in the LeaderThink series. LeaderThink is all about reminding us that each day offers a new opportunity to be a good leader. The choices you make and the actions you take build your leadership legacy one week at a time. Tracy Brown originally created the LeaderThink(r) newsletter to encourage, equip and empower volunteers in a national professional association to be the best leaders they could be. Through word of mouth the subscriber list has grown to include leaders in all professions. The book is a collection of short essays or articles focused on leadership compiled from past issues of the newsletter. Each starts with a quotation and is followed by 1-5 paragraphs of commentary.
