New from the national bestselling author of *Deathwish*

It's time to lock, load, and hit the road...

Once, while half-human Cal Leandros and his brother Niko were working on a case, an ancient gypsy queen gave them a good old-fashioned backstabbing. Now, just as their P.I. business hits a slow patch, the old crone shows up with a job.

She wants them to find a stolen coffin that contains a blight that makes the Black Death seem like a fond memory. But the thief has already left town, so the Leandros brothers are going on the road. And if they're very, very lucky, there might even be a return trip...
