Art of the Hot Rod Ken Gross

The best hot rods are art on four wheels, and this book is nothing less than a gallery of the best of American hot rods. Profiling top builders and featuring studio portraits of their most outstanding custom creations, this book celebrates the uniquely American marriage of mechanical know-how and an inspired sense of style and design. Built from the ground up, pieced together from salvaged parts, rebuilt with classic looks and futuristic technology--these are automotive works of art, as powerful on the page as they are on the street.
