In Danger and Off Limits

Cyndra :

I just wanted one night of passion. To blow off some steam.

Someone who could make me forget about the reoccurring nightmares I had about my pervert boss.

In one night Bruce made me his. I couldn't get thoughts of his body out of my mind, and how his lips made me scream with pleasure.

We had only known each other for a few hours, but fate would bring us back together, as this former Navy Seal would end up saving my life.

~~~~~

Bruce:

I spent most my life with the Navy Seals. I was in Boston on a mission to get rid of a scumbag criminal. I wasn't looking for any distractions until Cyndra told me she wanted me for a night. I couldn't turn down the offer.

I took her for one night, losing myself in her body, only to leave wanting more.

When she was kidnapped and about to be tortured, I felt enraged, torn, and ready for revenge.

I would have never thought that she would end up saving me too.
