Noted writer and pastor John Killinger wrote this collection of meditations to minister to his fellow ministers - to provide a resource for reflection and self-understanding to those who share his vocational commitment. But in the process he has created a book of such rare beauty and eloquence that it has something to say to all Christians about the meaning of following Christ in our vocations - and in all of life. This book, a source of uplift and encouragement in every season of life, belongs on every minister's bookshelf.
