**Mort (Discworld Hardback Library)** Terence David John Pratchett

It is known as the Discworld. It is a flat planet, supported on the backs of four elephants, who in turn stand on the back of the great turtle A'Tuin as it swims majestically through space. And it is quite possibly the funniest place in all of creation...Death comes to us all. When he came to Mort, he offered him a job. After being assured that being dead was not compulsory, Mort accepted. However, he soon found that romantic longings did not mix easily with the responsibilities of being Death's apprentice. Terry Pratchett's hilarious fourth Discworld novel established once and for all that Death really is a laughing matter...
