Providing in-depth explanations of each milestone, Pennell takes readers through the peaks and valleys of NASCAR history and details the impact each first had on the legacy of the sport. From the earliest days of NASCAR's foundation, to the high banks of Daytona and famed Brickyard at Indianapolis, Pennell also looks at monumental dates and races that changed the sport and helped it grow from a small gathering of race car drivers and promoters into the multibillion-dollar sports industry it is today. This book is a unique look at racing for new and experienced NASCAR fans alike.
