This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P. Sloan Foundation. The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format. Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship.

Mass: By the American Waltham Watch Company from the publisher to make you much more enjoy free time.

Jennifer Williams:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this
