Property and Freedom

Richard Pipes

Property and Freedom Richard Pipes

Richard Pipes, Harvard scholar and historian of the Russian Revolution, brings his remarkable erudition to an exploration of a wide range of national and political systems to demonstrate persuasively that private ownership has served over the centuries to limit the power of the state and enable democratic institutions to evolve and thrive in the Western world.

Beginning with Greece and Rome, where the concept of private property as we understand it first developed, Pipes then shows us how, in the late medieval period, the idea matured with the expansion of commerce and the rise of cities. He contrasts England, a country where property rights and parliamentary government advanced hand-in-hand, with Russia, where restrictions on ownership have for centuries consistently abetted authoritarian regimes; finally he provides reflections on current and future trends in the United States.

Property and Freedom is a brilliant contribution to political thought and an essential work on a subject of vital importance.

From reader reviews:

Margaret Stanley:

Information is provisions for people to get better life, information these days can get by anyone with everywhere. The information can be a know-how or any news even restricted. What people must be consider when those information which is inside the former life are challenging to be find than now is taking seriously which one would work to believe or which one the particular resource are convinced. If you receive the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Property and Freedom as your daily resource information.

Edward Rideout:

A lot of people always spent all their free time to vacation or go to the outside with them household or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity that is look different you can read a book. It is really fun in your case. If you enjoy the book that you simply read you can spent the entire day to reading a e-book. The book Property and Freedom it doesn't matter what good to read. There are a lot of folks that recommended this book. These people were enjoying reading this book. Should you did not have enough space to develop this book you can buy often the e-book. You can m0ore very easily to read this book from the smart phone. The price is not too expensive but this book offers high quality.

Lois Araiza:

Reading can called brain hangout, why? Because if you find yourself reading a book specially book entitled Property and Freedom the mind will drift away trough every dimension, wandering in every aspect that maybe unknown for but surely can become your mind friends. Imaging each word written in a guide then become one web form conclusion and explanation in which maybe you never get before. The Property and Freedom giving you a different experience more than blown away your head but also giving you useful data for your better life in this era. So now let us show you the relaxing pattern is your body and mind will be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

Matthew Hood:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your day to upgrading your mind skill or thinking skill possibly analytical thinking? Then you have problem with the book as compared to can satisfy your short time to read it because this time you only find e-book that need more time to be read. Property and Freedom can be your answer since it can be read by you who have those short extra time problems.
