Starting and Running a Small Business For Canadians For Dummies All-in-One John Ayles
The comprehensive, six-in-one package small business entrepreneurs can't afford to be without

With more Canadians considering starting their own small businesses than ever before, there's never been a greater need for a detailed, comprehensive guide to help budding entrepreneurs get off the ground.

Comprised of six books in one that cover every aspect of running a business, from developing a business plan to managing growth successfully, and everything in between, *Starting and Running a Small Business For Canadians For Dummies All-in-One* will ensure readers' ventures meet with success.

- The ideal resource for the first-time entrepreneur in a market when small businesses are growing fast
- Provides a wealth of management advice based on recent research that shows that when small businesses are successful, they hire
- Includes the financial advice that keeps new businesses from folding within their first five years

Offering Canadians everything they need to know about starting their own companies within Canada, this six-book compilation is essential reading for anyone looking to make it big in the world of small business.
