AIN'T SHE SWEET? Phillips

Sugar Beth Carey's come back to Parrish, Mississippi, and she's brought her reputation for wreaking havoc with her. She's broke, desperate, and too proud to show it, even with her old enemies lining up for a chance to get even. Her former girlfriends have their eyebrow pencils sharpened into lethal points. Winnie Davis, her longtime rival, is fully armed with the money, power, and prestige that had once been Sugar Beth's. But worst of all is Colin Byrne, the man whose career Sugar Beth had destroyed -- and not exactly accidentally. Now Colin's a famous novelist living in Sugar Beth's old mansion, and this modern day dark prince is using his writer's imagination to figure out how to bring the town's beautiful former princess to her knees. But despite her sassy mouth, feisty spirit, and hardheaded ways, Sugar Beth's no longer the spoiled rich girl they all remember. No, now she's a woman to be reckoned with ... and a great big reckonin' is about to happen, not least of all for one dark prince who might -- just might -- be thinking about falling in love with the wickedest girl in town. Ain't She Sweet? A funny, heartwarming, oh-so-spicy story of love, friendship, and the possibility of happily-ever-after.

From reader reviews:

Wayne Sutphin:

As people who live in the modest era should be up-date about what going on or data even knowledge to make these keep up with the era which can be always change and advance. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know which one you should start with. This AIN'T SHE SWEET? is our recommendation to help you keep up with the world. Why, because this book serves what you want and want in this era.

Charles Owens:

This AIN'T SHE SWEET? is great reserve for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. That book reveal it facts accurately using great arrange word or we can declare no rambling sentences in it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with splendid delivering sentences. Having AIN'T SHE SWEET? in your hand like keeping the world in your arm, facts in it is not ridiculous just one. We can say that no publication that offer you world in ten or fifteen second right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. active do you still doubt that will?

Jennifer Wadsworth:

Do you like reading a book? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many query for the book? But just about any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but novel and AIN'T SHE SWEET? or maybe others sources were given understanding for you. After you know how the truly great a book, you feel desire to read more and more. Science book was created for teacher or even students especially. Those publications are helping them to add their knowledge. In some other case, beside science book, any other book likes AIN'T SHE SWEET? to make your spare time much more colorful. Many types of book like this.

Elaine Harvey:

A lot of book has printed but it is different. You can get it by web on social media. You can choose the best book for you, science, comedy, novel, or whatever simply by searching from it. It is named of book AIN'T SHE SWEET?. You can add your knowledge by it. Without leaving the printed book, it might add your knowledge and make you actually happier to read. It is most significant that, you must aware about publication. It can bring you from one destination for a other place.
