This book can be read as a standalone novel. There are appearances by secondary characters featured in prior books in the series which you may enjoy more when read in order, but everything you need to know to enjoy this story is contained in this book.

Men in Blue, Book 6

Ben has lived through hell. He only survived captivity and torture by the brutes who'd been attempting to develop Sex Offender, a potent aphrodisiac used as a date rape drug, because of the guy he met—and fell in lust with—in the drug lord's dungeons.

Ryan became Ben's roommate after they escaped. His nearness is constantly tempting Ben to force Ryan to submit to his dark desires. Disgusted by how similar that makes him to their captors, he's managed to hold off so far. How long can he keep his cravings for Ryan's sexy body at bay?

On top of that, they both seem to be falling for the same woman. If Ben has reservations about unleashing his sexual appetites on Ryan then that goes double for Shari, who is entirely too sweet and inexperienced for either of them. Or so Ben thinks.

When Shari teams up with Ryan to change Ben's mind, it seems like Ben might consider turning their three-way fling into something serious. Until a threat to Ben's niece reminds them that it's not always possible to keep those you love safe. After losing his sister in the Sex Offender scandal, Ben might never be ready to take that risk again.

None of them could have realized they were bound for something greater than a traditional partner in life, but Shari and Ryan are sure the three of them will benefit from the love of not one, but two, strong, giving soul mates who can help them leave the darkness of their past behind.

Will they be able to convince Ben that living fully is better than living cautiously?
