**CONFEDERATE MILITARY HISTORY; A LIBRARY OF CONFEDERATE STATES HISTORY (1899) [SPECIAL ILLUSTRATED EDITION] Volume 1** Clement Anselm Evans  
[This book has been profusely illustrated with photos from the American Civil War.]

THIS work is the result of contributions by many Southern men to the literature of our country that treats of the eventful years in which occurred the momentous struggle called by Mr. A. H. Stephens "the war between the States" These contributions were made on a well-considered plan, to be wrought out by able writers of unquestionable Confederate record who were thoroughly united in general sentiment and whose generous labors upon separate topics would, when combined, constitute a library of Confederate military history and biography.
