Guide to Indexing and Cataloging with the Art & Architecture Thesaurus

Sold with all AAT packages and also available separately, this Guide is directed to members of four major indexing and cataloging communities--archives, libraries, museums, and visual resources collections--and is intended to train them in the use of the AAT vocabulary as a indexing tool. The structure of the volume proceeds from a general introduction to the AAT to specific instructions for indexing special materials. A separate chapter is directed to each of the four user communities and written by an expert practitioner.
