Love, Miracles, and Animal Healing Allen M. Schoen, Pam Proctor

In this inspiring new book, *Love, Miracles, and Animal Healing*, Dr. Allen M. Schoen, a renowned and widely respected veterinarian, shares healing secrets he has learned from patients as diverse as a wounded hawk, a rabbit who showed him how love can conquer death, and a German shepherd brought back to life after going into cardiac arrest. Dr. Schoen's groundbreaking insights are the products not of one man's fancy but of his frustration with the limitations of conventional medicine. While other vets pronounce a death sentence on seemingly hopeless cases, Schoen has never been content just to "put the dog down," or "ship the cow," or "put the horse out of his misery." Instead, he has pushed beyond conventional medical wisdom to chart new courses of healing. And time and time again, he has discovered that the deep spiritual relationship that develops between him and his animal patients, between owners and their pets, and even between animals themselves is a vital part of the healing process.
