Once Upon Our Times M. A. Kairos

Assisted by the girl of his dreams, a mystery man redeems a spiraling life turned extraordinary by his sudden and inherited gift of Chronokinesis, the ability to stop time while being able to move about freely. This is a story of love and self-discovery like no other, a unique account of the struggle between good and evil that in itself transcends each of our own times. Rich in humor, drama, suspense, and religious overtones, the experiences detailed within these pages can teach us all the value of living our lives to their fullest, despite the obstacles that confront us along the way. "It is a different kind of love story, one with suspense, mystery, vengeance and humor." ---Amazon reader W. Perry "I thoroughly enjoyed this book and couldn't put it down. The romance and adventures...create constant drama and excitement." ---Amazon reader Janet Kleffman "This book has kept my interest from beginning to end (and) makes you feel like you are there." --
