A major collapse of the power grid is inevitable. There are numerous scenarios that could cause a failed power grid that could leave large sections of the country or world in the dark. If you don't what could cause a massive power grid failure, you need to read the book. It isn't just the lights that go out. Everything will grind to a halt and it will be survival of the fittest, or in this case—the most prepared. Do you know what you need to prepare for a massive power failure that will put life as you know it in jeopardy? Can you feed your family with what you have in your house right now? Do you know what to do to take care of sanitation needs, water requirements and your comfort in general?

Don't be embarrassed if you don't have the first clue about what you would do if you were plunged into a blackout. Many people don't, which is why you need this book. It will guide you through everything you need to know to stay alive in the event of a major power grid failure. You will learn some valuable tips that will help you prepare for the imminent failure of the power grid. There is no time like the present to start preparing your home and your family to live and ultimately thrive a disastrous event like a failed power grid. Stocking up today, could save your life tomorrow.

## Readers say.....

"Being stuck without power for a long time is one of my worst nightmares. I was thankful to find this book so I could feel more at ease! I always like to be prepared, so enjoyed learning from this book how to do daily activities like cook, keep clean, and keep warm without power. This is the perfect read for anyone who wants to be prepared as possible for disasters in order to keep their families healthy and safe".....Emily D

"Hurricane Katrina showed us all how badly prepared government is to deal with major natural and man-made catastrophes, I'm not what you could call a "doomsday prepper" but I like to keep enough food, water and other essentials for a week in my house. If you want to start with a project like this this book is a good place to start".....Benjamin Jenkins

"With this book I feel more prepared as it provided very insightful guide to prioritizing any emergencies. Now I have more knowledge in protecting my family in the case of a disastrous situation and I feel more at ease. I'd highly recommend this book as it is crucial to get well prepared for any disasters that might happen in the future".....Eugene Kim
