Synopsis: **Jennifer needs to know the truth about the *Beautiful Dead*. Do they really exist, or is it all a lie?**

She faces punishment from the university if she pursues her forbidden Undeadly studies - but *she could also change the world*. One reckless decision (that may or may not be totally illegal) sends Jennifer and her friends embarking on an adventure of a *deathtime* to find the truth at last.

She did not expect, however, to discover the fate of all humanity resting in her *little Living hands*.
