Ahhh Cookies! You're sure to find a favorite cookie recipe in this cookie cookbook such as Mom's famous chocolate chip, luscious lemon bars and sinful cinnamon. You will also find some surprises such as my Strawberry Daiquiri Delight and Pineapple Pina Colada! In this book I give you unique cookies with a twist. Some of the cookie recipes that I baked with my mom from scratch became very complicated and time consuming, so I have taken advantage of the wonderful idea of using a cake mix to make the mixing faster and simpler. Since cake mixes come with many ingredients already combined, it makes preparation much quicker! You've just got to try these cookie recipes. With so many varieties who doesn't like unique cookie? The Cake mix shortens the ingredients so you don't have to find all the powders and flours. It's so simple your 8 year old will love to help just like mine does! Just add the few ingredients then beat it, bake it and bite it! This cookie cookbook will also reduce your preparation time and clean up time! So if you are looking for a cookie cookbook for kindle, you've found the perfect one!
