Global Justice Movement: Cross-national and Transnational Perspectives Donatella Della Porta, Massimiliano Andretta, Angel Calle, Helene Combes, Nina Eggert, Marco G. Giugni, Jennifer Hadden, Manuel Jimenez, Raffaele Marchetti

"Della Porta has assembled a distinguished group of scholars who have made great strides in illuminating the early phases of the movement. The book includes especially keen analyses of the movement against global capitalism, particularly in its European manifestations." John D. McCarthy, Pennsylvania State University
"Della Porta has skillfully coordinated a comparative study in six European countries and the US. Renowned scholars give testimony of the movement in their countries. [This is] the first attempt to document a genuine transnational movement." Bert Klandermans, Vrije Universiteit, Amsterdam
"You G-8, we 6 billion!" So went the chant at the international parade leading into the summit in Genoa, Italy. The global justice movement has led to a new wave of protest, building up transnational networks, inventing new strategies of action, constructing new images of democracy, and boldly asserting that "another world is possible". This book examines all this and more with case studies drawn from seven different countries, covering transnational networks and making cross-national comparisons. Leading European and American scholars analyze more than 300 organizations and 5,000 activists, looking at mobilizations that bridge old and new movements and bring politics back to the street. Contributors include: Massimiliano Andretta, Angel Calle, Helene Combes, Donatella della Porta, Nina Eggert, Marco Giugni, Jennifer Hadden, Manuel Jimenez, Raffaele Marchetti, Lorenzo Mosca, Mario Pianta, Herbert Reiter, Christopher Rootes, Dieter Rucht, Clare Saunders, Isabelle Sommier, Sidney Tarrow, Simon Teune, Mundo Yang.
