Naughty Scarlett Bella Carlisle

Scarlett's days are filled with subway trains, emails, text messages, and sub-standard jobs at the temp agency.

Her friends and family know nothing about her nightly activities, or her little black book which holds her list of clientele.

She is a predator, stalking her prey and devouring each lover until she is filled, but Scarlett is never truly satiated. She loves nothing more than the hunt.

When her gorgeous client and 'pseudo-boyfriend', Ren tells her, "Tonight I want you to be yourself." He has no idea he'll find himself naked and handcuffed to a chair. He watches wide-eyed as Scarlett escorts the neighbors into the bedroom...
