The Gratitude Game: 21 Days to a Healthier, Wealthier, More Beautiful You Natalie Pace

The Gratitude Game is a 21-day Walk to Wealth program designed to make prosperity and abundance your daily habit. Each day you learn to adopt a new mindset, add another tool to your skill set and to take action toward living a richer life. You will learn how to protect your assets, beautify your bottom line, compound your gains (instead of your debt) and to stop making everyone else rich at your own expense.

As you shift into wealth consciousness, and out of debt consciousness, you will become a healthier, wealthier, more beautiful you. As you become the architect of your Dream Come True Life, then you can become more mindful about co-creating stronger communities and nations, and protecting our planet.

This might sound too ambitious, or airy fairy or out of reach. However, once prosperity and abundance become *the way life is*, and we are no longer operating with fear, worry, doubt, anger or greed as our primary emotions with regard to money, we will already be beautifying our world.

Americans are carrying almost \$12 trillion in consumer debt. 1/3 are being chased by a debt collector. So, chances are you know a few people who can use this information.

Give *The Gratitude Game* 21 days -- a chapter a day -- and it will change your life.
