As far back as I can remember, I've always wanted to be the boss: How to Manage a Company Diego Polo-Friz

You already manage a company? Are you in the process of becoming a boss? You are not quite there yet, but you are interested in understanding management? This book is about making things happen. It is about what needs to be done (as to content as well as process) to make sure that your objectives (and those of the company) are met. The book covers all main aspects of company life: revenues, costs, risks, organization, personnel and leadership style. Enjoyable to read, it is not a combination of formulas and theories, rather a set of methodologies built on real life experience, easy to implement, that bring whoever has management responsibilities to a higher level of performance.
