Redeeming Rue (Ashland Pride Four) R. E. Butler

As an albino black panther banished by her people, Veruka Jennings knows if her clan discovers she had a child, it would mean death for them both. Labeled an abomination and forbidden from having cubs, she's spent the better part of her life as an outcast, believing she is worthless because of the color of her fur. After secretly overhearing traveling clan members discuss a bonding ceremony in Indiana, she decides to spy on the proceedings for one last look at the people who treated her like trash.

When James and John Fallon investigate a shadowy figure in the woods during a bonding ceremony, they do not expect to find the woman they are meant to share. But instead of enjoying their mating, they are embroiled in a clan war as they fight to protect Veruka and her son, who have come to mean everything to them. If they can protect her, will they be able to keep her? Or will Rue believe she's not worthy of their love and disappear from their lives forever?

Warning: This book contains one spunky heroine who will do anything to keep her son safe, two males who aren't about to let the slippery female get away, and a ticked off clan of panthers who want bloody revenge for their broken laws. Expect plenty of growls and snarled curses, love bites, ceremonial mating, and scorching m/f/m loving that only happens when two mountain lions finally find the woman of their dreams. Contains m/f/m interaction.
