Famed psychologist Martin Rosen is confident he can treat Jacques Benoît, an enigmatic and evasive hotel magnate who recently attempted suicide. But nothing in Martin's vast experience could prepare him for the evil hiding in Benoît's past. Martin's new girlfriend also has something to hide. As does Galit Stein, a Mossad agent obsessed with hunting down the world's most notorious Nazi war criminals.

From the streets of Lyon, France - when the Vichy government helped the Nazis ship Jews to concentration camps - to the suburbs of New York City five decades later, *The Night, The Day* is a thrilling journey from darkness to light as these lives collide on a path of discovery, justice, love and redemption.

In his riveting third novel, Kane has drawn upon years of research and a lifetime of personal conviction to deliver his most compelling work yet.
