**The Winter's Tale: The Oxford Shakespeare The Winter's Tale (Oxford World's Classics)** William Shakespeare

The Winter's Tale is Shakespeare's most fully realized tragicomedy, noted for the richness and complexity of its poetry. Though the title may suggest an escapist fantasy, recent criticism has seen in the play a profoundly realistic psychology and a keen commentary on the violence implicit in family relationships and deep friendships. Orgel traces the changing critical and theatrical attitudes towards the play, and places its psychological and dramatic conflicts within the Jacobean cultural and political context. This edition is made complete with a reprint of Shakespeare's source for the play, Pandosto, by Robert Greene.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe.
