**Mayflower:The Voyage from Hell (Kindle Single)** Kevin Jackson

"The Mayflower: A Voyage from Hell" .The writer Kevin Jackson looks at the reality behind the mythic status of the Mayflower - and the journey that 'created' the New World. Most of the voyagers of that famed 1620 crossing of the Atlantic were not in fact religious pilgrims, but people intent on forging a better life for themselves in the virgin territory of America's east coast. 130 hardy souls were confined in a space no bigger than a tennis court, braving the 'Northern' crossing, without any firm idea of what awaited them in the New World. A riveting account of the sailing that changed the world.
