## The Age Old Question: How did the Earth really form?

We've all thought about it one time or another...

### Where on Earth did Earth come from?

It is probably the biggest mystery that there is, but should it be? Have you ever thought there may be a theory out there that successfully explains where the Earth, and where you really came from?

I have spent over a decade studying this very topic. It has intrigued me since I opened my first biology textbook. I set off on a quest to answer just one question, and by God I've found the answer.

## What You Will Discover Inside

- Ancient Creation Stories from different cultures
- Creationism vs. Intelligent Design
- Controversial theories
- Mayan creation stories & Meta Universe Theories
