Conceptos de Administracion Estrategica (Spanish Edition) Fred R. David

Conceptos de administración estratégica es un libro con un enfoque práctico que muestra cómo aplicar lo que se está leyendo. Los casos de final de capítulo y los ejercicios basados en la experiencia permiten al lector aplicar los conceptos presentados. En esta obra se mejora y se consolida la perspectiva profesional orientada a las habilidades, sin embargo, la nueva y más amplia cobertura sobre las teorías y la investigación de la administración estratégica refleja el uso que hacen las compañías de conceptos como análisis de la cadena de valor (VCA), cuadro de mando integral (o Balanced Scorecard), visión basada en los recursos (RBV) y subcontratación (o outsourcing).
