Celebrating Life Decades After Breast Cancer Beverly McKee

Imagine the *hope* and *comfort* you will feel surrounded by forty inspiring breast cancer survivors as they share stories of celebrating life twenty, forty, even fifty years after diagnosis. You'll be welcomed into an inner circle of support as each woman shares her personal journey through breast cancer and insight about why she believes she has thrived for decades beyond diagnosis. Whether you are a survivor, caregiver, family member, friend, or part of an oncology team, this book will help quiet fear, calm anxiety, and offer the priceless gift of *hope*.

You are invited to meet these unforgettable women during a worldwide book tour! For details and to learn how you can join an exclusive online book club visit BeverlyMcKee.com.

This book will:

- Offer *hope* and insight into long-term survival after a breast cancer diagnosis.
- Provide real-life stories of long-term survival for oncology teams to share with their patients.
- Dare you to consider how breast cancer or any other life challenge can be used as a catalyst for positive change.
- Reassure you that you are not alone in your journey through breast cancer with stories of women who understand the fear that comes with diagnosis as well as how they have celebrated life throughout the decades.
- Provide insight into how a positive attitude can transform your journey through any challenge in life.
- Challenge you to explore your faith in God, self, and others and how that relationship has been impacted after a cancer diagnosis.
- Encourage you to examine the way that you view statistics and to consider the possibility that you might be the exception when faced with overwhelming odds.
- Offer suggestions to cope with cancer from women who have survived twenty to fifty years after their own breast cancer diagnosis.
