This book constitutes the refereed proceedings of the 5th International Conference on Combinatorial Optimization and Applications, COCOA 2011, held in Zhangjiajie, China, in August 2011. The 43 revised full papers were carefully reviewed and selected from 65 submissions. The papers cover a broad range of topics in combinatorial optimization and applications focussing on experimental and applied research of general algorithmic interest and research motivated by real-world problems.

As we know that book is vital thing to add our information for everything. By a publication we can know everything we would like. A book is a list of written, printed, illustrated or even blank sheet. Every year had been exactly added. This guide Combinatorial Optimization and Applications: 5th International Conference, COCOA 2011, Zhangjiajie, China, August 4-6, 2011, Proceedings (Lecture ... Computer Science and General Issues) was filled concerning science. Spend your free time to add your knowledge about your research competence. Some people has distinct feel when they reading a book. If you know how big advantage of a book, you can feel enjoy to read a publication. In the modern era like right now, many ways to get book you wanted.

**Cara Shaver:**

What is your hobby? Have you heard that will question when you got students? We believe that that concern was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And you
