Flames of the Spirit: Resources for Worship

These worship resources are inclusive in reference to God and humanity, and reflect concern for justice and peace in the world. They are also theologically sound, scripturally based, and well written. They are contemporary yet dignified and graceful in tone, and full of rich imagery for use in the context of worship. They were compiled with sensitivity to current and traditional theological and liturgical issues, as well as literary quality. While resources for baptism, communion, weddings and other special occasions are provided, most of the resources are for Sunday worship. Much of the material provides new models and approaches to worship, to stimulate thought and creativity.
